

## Novia launches pension transfer software on platform

17 December 2009 | By [Tracey Scott](#)

Novia is offering advisers access to report generation software to enable them create pension transfer suitability reports.

Users of the Novia platform can now access the Pension Performance Review Company software to create pension transfer suitability reports when recommending wrap providers.

Novia head of marketing Martin Broomfield says: "By combining the benefits of this software system with the flexibility of the Novia Sipp, it opens up the opportunity for the adviser community to confidently tackle pension transfer discussions."

Pension Performance Review Company managing director Paul Cadde says: "Novia is the kind of forward-thinking company that advisers should be doing business with and together we are sure we can help to get clients pension investments working harder for them by using the modern technology and range of investment instruments that Novia provide access to."
